## IMPORTANT COVID-19 COURSE CHANGES

Your unstoppable drive is what will make you a great Real Estate Agent! To help you meet your goals, **we've made temporary accommodations to move our in-person courses to VIRTUAL CLASSROOMS**, available via Livestream webinar until it is safe to resume normal activities. We'll continue to offer our online courses so you can learn at your own pace. Consider taking advantage of our hybrid approach that gives you the ability to take online courses on your own time and sign up for our instructor-led Livestream virtual classes for more of a classroom-feel.

**This document contains everything you need to know to complete your education from the safety and comfort of your home**, so you can use your down time to prepare for your new career.

---

### SECTION 1 - VIRTUAL OPEN HOUSES

If you've thought about a career change, but you're not sure where to start, we're here to help you. At Hondros, we offer Virtual Open Houses via Zoom webinars to help you learn about career opportunities in the real estate, mortgage lending, appraisal, insurance and home inspection industries.

---

### SECTION 2 - LIVESTREAM COURSES

Our students now have online access to 100% of the required real estate pre-licensing courses. Courses are live-streamed and engaging, using the same "laugh and learn" format you'd enjoy in a classroom.

---

### SECTION 3 - EXTENDED VIRTUAL OFFICE HOURS

One-on-one time with your instructor gives you the ability to ask questions and expand on course content. We've extended our typical office hours to give you plenty of time to connect with your expert instructors from home.

---

### SECTION 4 - REMOTE CUSTOMER SUPPORT

Concerned about technical issues? Need clarification on course content or licensing requirements? Our Remote Customer Support team is available to address any inquiries you may have, and to make sure you're prepared for your virtual course.
